EDUCATION

Bachelor of Engineering (Mechanical Engineering) University BDT College of Engineering, Davanagere, Karnataka	August 2019 - May 2023 7.63 CGPA
Pre University Course Government PU College, Anavatti, Karnataka	June 2017 - May 2019 80.83%
SSLC Morarji Desai Residential School, Churchigundi, Karnataka	June 2016 - May 2017 91.68%

PROJECTS

Employee Management System	September 2023 - October 2023
<ul style="list-style-type: none">Designed and developed an Employee Management System CRUD Application to streamline HR operations and enhance employee data management.Designed a user-friendly interface for adding, updating, deleting, and managing employee information, including personal details, and performance evaluations.Implemented a system that reduced the time spent on manual HR tasks and improved data accuracy and Gained expertise in database design and system architecture.Technologies Used: Java, HTML, CSS, JavaScript, and MySQL database.	
Stress Detection Using Machine Learning	January 2023 - February 2023
<ul style="list-style-type: none">Designed a user-friendly interface to gather real-time physiological data and display stress predictions, enhancing the project's practical utility.Developed a robust algorithm for real-time stress level assessment with a high degree of accuracy.Implemented an innovative Stress Detection system leveraging machine learning techniques.Technologies used: Python (Pandas, NumPy, Matplotlib).	

TRAINING

Java Full Stack	June 2023 - September 2023
<ul style="list-style-type: none">Completed an intensive Java Full Stack course, gaining comprehensive knowledge of both front-end and back-end web development.Acquired proficiency in Java Programming, Web Application Development, and database Management System.Demonstrated expertise in building responsive web applications using a range of technologies, frameworks, and tools.This course has equipped me with the skills necessary to design, develop, and deploy full-stack Java applications, making me a valuable asset in software development.	

SKILLS

Java | SQL | HTML | CSS | JavaScript | Python | C

CERIFICATES

- Java Full Stack Course Completion Certificate
- Salesforce Discovery Day Certificate
- Google Data Analytics Certificate
- Python Course Completion Certificate

LANGUAGES

- Kannada
- English
- Hindi
